ELECTION REPORT

NOTICE OF INTENT TO TAKE ACCESS (NA) AND NOTICE OF INTENT TO ORGANIZE (NO):

On February 26, 2007 the United Food & Commercial Workers, Local 5, filed a notice of intent to take access (NA) and notice of intent to organize (NO) with the Visalia Regional Office seeking organized the

agricultural employees at Lone Oak Farms 1 & 2.

PENDING ELECTION MATTERS:

Artesia Dairy, 06-RC-1-VI

On February 28, 2006, the United Farm Workers filed a representation petition with the Visalia Regional Office seeking an election amongst the agricultural employees of Artesia Dairy Farms LLC in Corcoran, CA. The employer is a dairy with approximately 45 employees. The election was held on March 7, 2006. The tally of ballots showed the following:

UFW	25
No Union	24
Unresolved Challenged Ballots	<u>15</u>
Total	64

As the number of challenged ballots was outcome determinative, the Regional Director conducted an investigation to determine whether the challenges should be sustained or overruled. Election objections, if any, were due on March 14. No objections were filed. The Regional Director issued his Challenged Ballot Report on June 12, 2006. On June 22, 2006 the employer filed its exceptions to the Regional Director's report. The Board's decision in Artesia Dairy issued August 2, 2006. A telephone conference was held October 17, 2006. The hearing on challenged ballots was held from October 24-27, 2006 in Visalia, CA. The hearing transcripts were received on November 20, 2006 and the parties' post-hearing briefs were received December 22, 2006. The IHE's decision issued January 10, 2007. Exceptions were due January 23, 2007. On January 18, 2006 the petitioner requested an extension of time to file exceptions to the IHE's decision that was partially granted. The UFW and employer both filed their exceptions on February 6, 2007. Both parties also filed their replies on February 16, 2007. The matter is now before the Board for decision.

Valley View Farms, 06-RD-3-VI

On July 10, 2006, agricultural employee Sergio Ozuna Lopez filed a decertification petition with the Visalia Regional Office seeking to decertify the incumbent union, UFCW Local 1096, at Valley View Farms. The employer operates a dairy in Hanford, CA with approximately 41 employees. The election was held on July 17, 2006 and yielded the following results:

UFCW	17
No union	16
Unresolved Challenged Ballots	<u>5</u>
Total	38

The number of unresolved challenged ballots is sufficient to affect the outcome of the election. The Regional Director issued his challenged ballot report on September 5, 2006. Exceptions, if any, were due on September 15, 2006. No exceptions were filed. The Executive Secretary's issued his order making the Regional Director's Challenged Ballot Report final and directing that the ballots be processed as outlined in the report. The election case was originally to be held in abeyance pending resolution of three pending unfair labor practice (ULP) charges relating to three of the individuals whose ballots were challenged. On

July 24, 2006, the employer filed objections to the election which also will be held in abeyance pending resolution of the three ULP charges. On December 5, 2006, the Executive Secretary received a notification from the Union's counsel indicating that the parties (the employer and union) had participated in the Board's mandatory mediation and conciliation process and had reached a collective bargaining agreement. As part of that agreement, the union agreed to withdraw all of its unfair labor practices, including presumably the three ULPs that were being investigated and that impacted on the election. Since the agreement, the union has withdrawn and/or dismissed the three charges in question. All that remains is the resolution of the single challenge inquiring whether Sanchez was eligible for Workers Compensation and, if so, whether there was a position he could return to. In accordance with his report on challenged ballot, the matter will be set for investigative hearing. On December 18, 2006 the Regional Director issued a supplemental challenged ballot report recommending that the ballots of three challenged voters not be opened and counted, and that the remaining challenged ballot be set for hearing. Exceptions are due December 26, 2006. No exceptions were filed and the Executive Secretary issued an order on January 10, 2007 making the report final and informing the parties that an investigative hearing will be held at a time and place to be noticed by the Executive Secretary.

LE Cooke Company, 07-RD-1-VI

On January 26, 2006, agricultural employee Fermin Ayala filed a decertification petition with the Visalia Regional Office seeking the removal of the exclusive bargaining representative United Farm Workers from L.E. Cooke Co. The employer is a wholesale nursery specializing in growing bareroot fruit trees, landscape trees, and shrubs. The employer is located in Visalia and has approximately 212 employees. An election was held on Friday, February 2 from 7:30 AM to 6 PM.

The tally of ballots is as follows:

United Farm Workers	110
No Union	61
Unresolved Challenged Ballots	<u>18</u>
Total	189

Election objections, if any, were due Friday, February 9, 2007. On February 8, 2007 the employer filed objections to the election. The objections are currently being processed by the Executive Secretary's office.

COURT LITIGATION:

Western Growers Association, et al., 03AS00987

This lawsuit, which challenges the constitutionality of the mandatory mediation and conciliation law (SB 1156 and AB 2596, codified as Labor Code sections 1164 to 1164.14), was originally filed on February 24, 2002 in the Sacramento County Superior Court. Initially the court ruled that the matter was not ripe for adjudication. Following the issuance of a decision fixing the terms of a collective bargaining agreement in the Hess Collection Winery matter (see below), the plaintiffs filed an amended complaint in the Sacramento County Superior Court. On December 22, 2003, a demurrer and request for a stay of the matter pending the resolution of a related case (Hess) was filed on behalf of the Board. On February 18, 2004, the superior court issued a tentative ruling granting the request for a stay, which became final when no party requested to appear at the scheduled hearing. As the issues raised in this lawsuit were decided adversely to WGA in the Hess Collection Winery v. ALRB case, this case will either be dismissed voluntarily or be subject to a motion to dismiss.

D'Arrigo Bros. of California, D048904

On June 29, 2006 the petitioner D'Arrigo Bros. of California filed a petition for writ of review with the Fourth Appellate District, Division One. On July 7, 2006 the court sent a letter to the parties directing that the record be prepared within ten (10) of the notice. On July 11, 2006, the ALRB filed a motion for extension of time to file the certified record to August 16, 2006, which was granted by the court on July 18, 2006. The record was filed with the court on August 16, 2006. The petitioner filed its opening brief on December 14, 2006. The Board filed its response brief on February 21, 2007. The reply brief is due March 19, 2007.

D'Arrigo Bros. of California v. ALRB, Case No. D050270

On February 13, 2007 the employer filed a petition for writ of mandate, prohibition, certiorari, or other appropriate relief and application for immediate stay of mandatory mediation proceedings. Real Party in Interest UFW filed its preliminary opposition on February 22, 2007. On February 23, 2007 the board filed the certified record and preliminary opposition. On February 23, 2007 petitioner filed its supplemental request for order and/or clarification regarding stay of mandatory mediation proceedings. On February 28, 2007 the court summarily denied the petition. Any petition for review is due within ten (10) days, i.e., March 12, 2007 (next Monday).

D'Arrigo Bros. of California v. United Farm Workers, Case No. ECU03346

On November 1, 2006 the employer filed a complaint for declaratory and injunctive relief with the Imperial

County Superior Court. On January 29, 2007, the UFW filed its answer to the complaint. On February 27, 2007 the employer filed a request for voluntary dismissal of the lawsuit.
