**PENDING ELECTION MATTERS:**

**Artesia Dairy, 06-RC-1-VI**

On February 28, 2006, the United Farm Workers filed a representation petition with the Visalia Regional Office seeking an election amongst the agricultural employees of Artesia Dairy Farms LLC in Corcoran, CA. The employer is a dairy with approximately 45 employees. The election was held on March 7, 2006. The tally of ballots showed the following:

UFW	25
No Union	24
Unresolved Challenged Ballots	<u>15</u>
Total	64

As the number of challenged ballots was outcome determinative, the Regional Director conducted an investigation to determine whether the challenges should be sustained or overruled. Election objections, if any, were due on March 14. No objections were filed. The Regional Director issued his Challenged Ballot Report on June 12, 2006. On June 22, 2006 the employer filed its exceptions to the Regional Director's report. The Board's decision in Artesia Dairy issued August 2, 2006. A telephone conference was held October 17, 2006. The hearing on challenged ballots was held from October 24-27, 2006 in Visalia, CA. The hearing transcripts were received on November 20, 2006 and the parties' post-hearing briefs were received December 22, 2006. The IHE's decision issued January 10, 2007. Exceptions were due January 23, 2007. On January 18, 2006 the petitioner requested an extension of time to file exceptions to the IHE's decision that was partially granted. The UFW and employer both filed their exceptions on February 6, 2007. Both parties also filed their replies on February 16, 2007. On April 20, 2007 the Board issued its decision in this matter sustaining the challenges as to ten (10) employees and overruling the challenges as to three (3) employees. The regional office is in the process of scheduling a time for the opening and counting of the ballots, and the issuance of final tally of ballots.

#### **Valley View Farms, 06-RD-3-VI**

On July 10, 2006, agricultural employee Sergio Ozuna Lopez filed a decertification petition with the Visalia Regional Office seeking to decertify the incumbent union, UFCW Local 1096, at Valley View Farms. The employer operates a dairy in Hanford, CA with approximately 41 employees. The election was held on July 17, 2006 and yielded the following results:

UFCW	17
No union	16
Unresolved Challenged Ballots	<u>5</u>
Total	38

The number of unresolved challenged ballots is sufficient to affect the outcome of the election. The Regional Director issued his challenged ballot report on September 5, 2006. Exceptions, if any, were due on September 15, 2006. No exceptions were filed. The Executive Secretary's issued his order making the Regional Director's Challenged Ballot Report final and directing that the ballots be processed as outlined in the report. The election case was originally to be held in abeyance pending resolution of three pending unfair labor practice (ULP) charges relating to three of the individuals whose ballots were challenged. On July 24, 2006, the employer filed objections to the election which also will be held in abeyance pending resolution of the three ULP charges. On December 5, 2006, the Executive Secretary received a notification from the Union's counsel indicating that the parties (the employer and union) had participated in the Board's mandatory mediation and conciliation process and had reached a collective bargaining agreement. As part of

that agreement, the union agreed to withdraw all of its unfair labor practices, including presumably the three ULPs that were being investigated and that impacted on the election. Since the agreement, the union has withdrawn and/or dismissed the three charges in question. All that remains is the resolution of the single challenge inquiring whether Sanchez was eligible for Workers Compensation and, if so, whether there was a position he could return to. In accordance with his report on challenged ballot, the matter will be set for investigative hearing. On December 18, 2006 the Regional Director issued a supplemental challenged ballot report recommending that the ballots of three challenged voters not be opened and counted, and that the remaining challenged ballot be set for hearing. Exceptions are due December 26, 2006. No exceptions were filed and the Executive Secretary issued an order on January 10, 2007 making the report final and informing the parties that an investigative hearing will be held at a time and place to be noticed by the Executive Secretary. On March 30, 2007, the regional director issued a second supplemental challenged ballot report. Exceptions are due within 5 days, i.e., April 9, 2007. As no exceptions were filed, the Executive Secretary issued an order making the supplemental challenged ballot report final on April 12, 2007. On April 13, 2007 the regional director issued a final tally showing the following results:

UFCW	17
No union	16
Unresolved Challenged Ballots	<u>0</u>
Total	33

The Executive Secretary will now proceed to screen the election objections filed by the employer.

#### **Henry A. Garcia Dairy, 07-RC-1-VI**

On March 9, 2007, UFCW International Union, Local 5, filed a representation petition with the Visalia Regional Office seeking to represent the agricultural employees of Henry A. Garcia Dairy. The employer is a dairy located in Tulare with 21 employees.

An election was held on Friday, March 16, 2007. Six votes were cast without challenge and there are eleven unresolved challenged ballots. After the election, the Regional Director decided to impound the six unchallenged ballots pending resolution of the challenged ballots. On March 23, 2007 the employer filed objections to the election. The matter is pending resolution of the unresolved unfair labor practice charges affecting the election and screening of the employer's election objections.

#### **Excelsior Farming, 07-RD-2-VI**

On April 17, 2007, agricultural employee Humberto Suarez Garcia filed a decertification petition with the Visalia Regional Office seeking the ouster of the exclusive representative UFW. The employer is located in Hanford and grows tree fruit. The bargaining unit consists of all the agricultural employees in the state of California. The approximate size of the workforce is 400. The election was held on April 24, 2007. The tally of ballots showed the following:

UFW	59
No Union	239
Unresolved Challenged Ballots	<u>5</u>
Total	303

As neither party timely filed objections to the election, the Executive Secretary issued a certification of results of election on May 1, 2007. This matter is now fully resolved and will be removed from this report.

## 6. Special:

**Legislation** (Senior Board Counsel Wender) –

### **SB 180 (Migden)—Labor Representatives: Elections**

This bill, as amended on April 9, would amend the Agricultural Labor Relations Act (Lab. Code § 1140, et seq.) to (1) provide for a card check system in which, in lieu of a secret ballot election, agricultural employees may choose an exclusive bargaining representative by submitting to the ALRB authorization cards signed by a majority of the employees in the bargaining unit; (2) create penalties, under specified circumstances, for the commission of unfair labor practices; and (3) expand the categories of unfair labor practice allegations that require the ALRB, upon determination that a complaint should issue, to petition the Superior Court for preliminary injunctive relief. On April 17, 2007, the bill was withdrawn from committee and re-referred to the Committee on Rules. On April 19, 2007, the bill re-referred to the Committee on Labor & Industrial Relations and the Committee on Rules and set for hearing on April 25, 2007. On April 30, 2007, the bill was passed out of the Committee on Labor & Industrial Relations (3-2 vote) as amended, but first to be amended and re-referred to the Committee on Rules.

The Labor and Workforce Development Agency has taken a position on this bill. The Agricultural Labor Relations Board has historically not taken positions on legislation and does not take a position on this bill. The Board will provide analysis upon request. The Labor and Workforce Development Agency requested and was provided an analysis of this bill.
