On July 8, 2011, the General Counsel filed an appeal of the Executive Secretary's July 1, 2011 order which, inter alia, denied General Counsel's request for a continuance from August 11 to August 19 in the event that the ongoing hearing in the above-captioned case does not conclude prior to that time. Under the Board's regulations, the Executive Secretary is given broad discretion to set hearing dates and consider motions for continuances. (See Cal. Code Regs., tit. 8, § 20190.) No abuse of that discretion has been shown. Accordingly, the General Counsel's Appeal of

Executive Secretary's Order Denying General Counsel's Request for Continuance is hereby DENIED.

By Direction of the Board.

Dated: July 13, 2011

Acting Executive Secretary, ALRB
