The employer in this Mandatory Mediation and Conciliation (“MMC”) case, Gerawan Farming, Inc. (“Gerawan”), has requested an extension of the time in which to file a petition for review of the report of mediator Matthew Goldberg (the “Mediator”). Gerawan requests that the deadline to seek review of the report be extended to October 15, 2013. The union, United Farmworkers of America (the “UFW”) opposes the request.

The Board has considered Gerawan’s extension request, the UFW’s opposition, and Gerawan’s reply, and has determined that the requested extension should be GRANTED. Any petition for review of the Mediator’s report must be filed and served on or before **October 15, 2013**. Such petition shall be filed and served by facsimile transmission.
